Romans 1:18-32 – Speed Limits & Stop Signs

My Story

1. What is your most vivid childhood memory of being disciplined? How did you feel about it then? Now?

Digging Deeper

2. How does creation reveal God to humanity, and what can we learn about God from creation? Is this enough to leave people “without excuse” (v.20)? Why/why not?
3. What are some ways people worship created things rather than the Creator? Why do people do this?

4. Read Ezekiel 20:19-21, 39, 43-44. How does this help us understand God’s wrath in giving people over to their sinful desires (Rom. 1:24, 26, 28)?

Reflection

5. Do you think our society has changed for the better or the worse since Paul wrote this description of the human condition? How so?
6. What created things are most tempting for you to pursue/serve rather than God? How can you combat this?
